An Invocation

O Rìgh nan dùl
's nam feart tha shuas
Do bheannachd gràs mhor
dòirt a nuas,
Le 'r tìr 's le 'r teangaidh
soirbheich fhein
'S biodh clann nan Gaidheal
fo sgàil do sgèith

**O Lord of the elements,
And the forces that are above us,
Your gracious blessings pour down
upon our land and our language.
And may they prosper,
And the children of the Gaels
will be under the shadow of your
wing.**
